

Sales & Startup of Process Control Instrumentation

| | | |
|--|--|--|
|  <p>Metal & Glass Tube Rotameters Thermal Mass Flow PD meters Vaporizers, Vacuum</p> |  <p>Toxic and Combustible Gas Portable Gas Detection and Dräger Tubes Respiratory Equipment</p> |  <p>Non-Intrusive Ultrasonic Flow-Meters Energy Systems High Temp Specialists</p> |
|  <p>Air & Gas Mass Flow Meters Gas & Liquid Flow Switches Level Switches</p> |  <p>Rupture Disks Explosion Protection Vent Panels</p> |  <p>Vibration & Conditioning Monitoring For Machinery Protection Permanent & Portable Systems</p> |
|  <p>Steam, Liquid, Gas V-Cone Meters “No straight run required” Mag & Propeller Meters</p> |  <p>SERVICES Flow Meter Rental, Flow Tests, Flow Surveys, Gas Detection calibration and Gas Detection Service Contracts</p> |  <p>Paramagnetic O2 Zirconium Combustion Analysis Stack Emissions NDIR - Industrial Gases</p> |
|  <p>Instrument Calibrators Hart Communication</p> |  <p>Turbine Flow Meters Liquid, Gas & Steam Flow Calibration Stands</p> |  <p>Pressure Gauges BiMetal Thermometers Temperature Products & Thermocouples Thermowells, RTD's Pressure Switch/Xmitters</p> |
|  <p>Pressure Regulators, Control Valves, Tank Blanketing Valves, Tank Vent Valves Conservation Vents Kaye-MacDonald Regulators</p> |  <p>Nuclear Non-Contact Level Density & Weighing Instruments</p> |  <p>Analyzer Sample Conditioning Heated Probes Nafion & Baldwin Coolers/Driers</p> |
